

WHY METRO?

Smart Roofs for Smart People®

SMARTmail Radius Mailer

SMARTmail Radius Mailer— Metro offers its contractor's a unique personalized and very targeted lead generation program. It centers around the Metro Mailer (11" Wide X 6" High) shown below.

THE Metro difference — Contractors can select the quantity to mail but find 250-pcs is realistic number for local neighborhoods costing about \$250.00 for professionally designed mailers circulated around their recent Metro install. **This is a personalized 4-color JUMBO mailing**, a real bargain and well worth every contractor to add it to their to-do list for every Metro sale they make. The Order Form is on our website <http://www.metroroofs.com/SmartMailer.cfm>. The payment for this mailer is by credit card and the on-line form has all the necessary details to charge the credit card. Sign-up today and become the local Metro SMARTmail expert to separate yourself from the competition.
